#### **Additional Information for fees**

#### **Non-Resident fees**

Where residency is queried, <u>www.gov.uk/find-local-council</u> will be used to confirm under which Local Authority the deceased lived. Where the 2-year care rule applies we will require the Wolverhampton address in writing and date moved to the care home before will confirm residency fees will apply.

# **Child Funeral Fund**

The Children's Funeral Fund for England helps to pay for some of the costs of a funeral for a child under 18 or a baby stillborn after the 24th week of pregnancy. Fees are claimed directly from the fund. All funeral fund claims required the authority to give a date of birth for the child.

Where a multiple pregnancy results in the loss on more than on baby and single casket is used the authority will be required to submit to claims for all babies but will only claim the relevant fees.

#### None account customers

Funeral directors who are not on a monthly payment account will need to make payment for the services being received prior to funeral day. Our preferred payment method is card payment. Cheques should be paid to 'City of Wolverhampton Council and include the name of deceased and date of the funeral on the reverse of the cheque. Please note we do not accept BACS transfers at present.

Grave availability – Below is the grave options available in each cemetery. For more information, please contact the crematorium office. We will allocate graves. Please do not send families to site to pick individual graves for interments.
